

## REF Calls for Manuscripts

*Review of Economics & Finance* is a peer-reviewed journal, published by Better Advances Press (BAP), sponsored by Academic Research Center of Canada (ARCC). This journal publishes research papers in the fields of general theories of economics, macroeconomics, econometrics, world economies, financial theories, corporate finance, business management and other relevant topics, both theoretical and empirical. The journal is currently published in both printed and online versions. The full text is free access and downloads from online databases, such as *EconLit*.

We are seeking submissions for forthcoming issues. All papers should be written in professional English. The length of 3000-9000 words is suggested. A “Guide for Paper Template” for accepted submission is available on the website [www.bapress.ca/journal.html](http://www.bapress.ca/journal.html). All manuscripts should be prepared in MS-word format, and submitted online, or sent to: [ref@bapress.ca](mailto:ref@bapress.ca) or [journalref@gmail.com](mailto:journalref@gmail.com), in **one way ONLY**.

**Please well record your date and way of paper submission.**

If your article is rejected after reviewed, the correspondence author will know this result within **7 weeks** from the date of paper submission;

If your article is qualified and finally published, it is expected to be published within **7 months** from the date of paper submission.

### Papers Selected and Published Process

- a) Upon receipt of paper submission, the Editor sends an E-mail of confirmation to the correspondence author within **7 days**. If you fail to receive such a confirmation, your submission/email may be missing. Please contact the Editor in charge, at your first convenience.
- b) Peer review. We use single-blind system for peer reviewing; the reviewers' identities remain anonymous to the authors. The paper will be peer reviewed by three experts: one is the editor of REF, and the other two are external reviewers. The review process may take 3-6 weeks.
- c) Notification of the result of review by e-mail.
- d) The author(s) revise paper and pay publication fee.
- e) After publication, the correspondence author will receive three copies of printed journals from Toronto, Canada, free of charge.

### Requirements and copyrights

Submission of an article implies that the work described has not been publicly published previously, neither is under consideration for publication elsewhere, and that its publication is approved by all authors and tacitly or explicitly by the

responsible authorities where the work was carried out. And the manuscript submission implies that, if accepted, it will not be published in the same form, in English or in any other languages, without the written consent of the Publisher. The Editors reserve the rights to edit or otherwise after all contributions, but authors will receive proofs for approval before publication.

**The authors** retain copyrights for articles published in BAP, with first publication right granted to the journal. The journal/publisher is not responsible for subsequent uses of the work. It is the authors' responsibility to bring an infringement action if so desired by the authors.

The journal publishes theoretical articles and empirical studies in a wide range of economic and financial areas, from general theories of economics, macroeconomics, econometrics, world economies, industrial economics, economic growth, ecological economics, environmental economics, to economic and/or financial history, financial theories, corporate finance, business management and other relevant topics. Both theoretical and empirical works are welcome.
