

***Review of Economics & Finance* Calls for New Manuscripts**

Review of Economics & Finance is a peer-reviewed journal, published by Better Advances Press (BAP), sponsored by Academic Research Center of Canada (ARCC). This journal publishes research papers in the fields of general theories of microeconomics, macroeconomics, econometrics, world economies, financial theories, corporate finance, and other relevant topics, both theoretical and empirical. This journal is currently published in both printed and online versions. The full abstracts and texts of published papers are free access and download from online databases.

Currently in August 2019, REF is included/indexed in ABDC, DOAJ, EBSCO, EconLit, Google Scholar, RePEc, Scopus- Elsevier, etc.; REF is also under reviewing of CNRS, IBSS, and SSCI, etc.. REF has got a good reputation worldwide.

We are seeking submissions for forthcoming issues. All papers should be written in professional English. The length of 3000-6000 words for a manuscript is suggested.

"Guidelines and Recommendations for Authors" are available on website: <http://www.bapress.ca/author-guide.html>. All manuscripts should be prepared in format of MS-word or PDF, and submitted online, sent to: ref@bapress.ca or journalREF@gmail.com, in **one way ONLY**.

Please well record your date of paper submission.

If your article is rejected after reviewed, the correspondence author will know this result within **6 weeks** from the date of paper submission;

If your article is qualified after rigorous reviewing and finally published, it is expected to be published within **6 months** from the date of paper submission.

Papers Selected and Published Process

- a) Upon receipt of paper submission, the executive Editor sends an E-mail of confirmation to the correspondence author within **6 days**. If you fail to receive such a confirmation, your submission/email may be missing. Please contact the Editor in charge, at your first convenience.
- b) Peer reviews. We use single-blind system for peer reviewing; the reviewers' identities remain anonymous to the authors. The paper will be peer reviewed by three experts: one is the executive Editor of REF, and the other two are external reviewers. This round of review process usually takes 2-6 weeks.
- c) Notification of the initial result(s) of review by e-mail from the executive Editor.
- d) The author(s) revise manuscript and pay publication fee.
- e) After publication both on-line and in-print, two free copies of printed journal would be mailed to the correspondence author from Toronto, Canada.
